## **Identify Responsible Individuals**

Please identify the specific people who will be participating in the code alignment process, including names, job titles, phone numbers, and email addresses. You must designate someone for each role. For discipline faculty, please identify at least three people per discipline (or, if your college has fewer than three faculty, list as many as possible). *Please put an asterisk by the person who will be the primary point of contact for the project.* 

Role	Institution	Name	Title/Discipline	Phone	Email
Curriculum Chairs	Contra Costa	Richard Ramos			
	Diablo Valley				
	Los Medanos				
Who makes changes	Contra Costa	Karen Ruskowski			
to codes	Diablo Valley				
	Los Medanos
