**ACADEMIC SENATE COUNCIL AGENDA**

**A long time ago in a galaxy far far away ABI 725 created what is known now as the Contra Costa College Academic Senate. Much like the force in Star Wars, the CCG Senate is made up of an energy field created by all faculty, fulltime and part-time. It surrounds us, penetrates us, and binds all faculty throughout CCD together.**

**May the Fourth Be With You**

**Monday, May 4, 2020** **2:15 pm - 4:00 pm** **Location: ZOOM (See link below)**  
***THE COMMUNITY IS WELCOME AND ENCOURAGED TO ATTEND***

As we are welcoming our guests, let's celebrate this gathering of our college community by playing the [Star Wars theme](#) on homemade kazoos using things we should have around the house (toilet paper roll, wax paper or any paper, and a rubber band) OR just hum through your fist.
