2:30-2:40	4.	Faculty Office Hour Use Resolution - Second Read/Action The Academic Senate at Contra Costa College recognizes the positive impact that instructor office hours can have on student success. We applaud the many creative ways in which instructors have used office hours such as workshops, study sessions, group tutoring and many others. We also recognize that the math lab in AA-210, the College Skills Center in L-121, the CIS lab in CTC-126, or other assigned areas, are locations where students can "linger and learn" while the college earns FTES. We therefore encourage instructors to schedule and spend at least one of their office hours each week, in addition to lab hour requirements they may be fulfilling, in one of these areas.
