Academic Senate for California Community Colleges

LEADERSHIP. EMPOWERMENT. VOICE.

Exemplary Program Award -

Due to the fires and power outages that are impacting many of our communities, we are extending the deadline for submission to Friday, November 8, 2019, by 5:00 p.m.

The Academic Senate is pleased to announce the call for nominations for the Exemplary Program Award. Sponsored annually by the Foundation for California Community Colleges, the Board of Governors established the Exemplary Program Award in 1991 to recognize outstanding community college programs.

The Academic Senate selects annual themes related to the award's traditions and statewide trends. The California Community Colleges system is the largest public higher education system in the country, enrolling over 2.4 million students. California community college students have diverse backgrounds and experiences, and the California Community Colleges system serves many populations of students, including veterans, undocumented students, and foster youth. Recognizing the importance of providing support to our student population as a whole, the Academic Senate focused the theme for this year's 2019-20 Exemplary Program award on "Student Support Services."

Student Support Services can be demonstrated in a variety of ways. Colleges are encouraged to consider faculty roles in student support programs. Some examples include library services, academic support and counseling centers; programs such as TRIO, PUENTE, A²MEND, and Umoja; and college planning efforts or projects focused on providing student-centered support such as learning communities or tutoring services. Scalable projects and programs are of great interest.
