**Presentation of available information related to the DVC vote of non-confidence.**

The ethics violation can be found through the union (<http://uf4cd.org/political-action/political-report>)

ASCCC (<https://asccc.org/content/votes-no-confidence-academic-senate-perspective>) A key quote from the article: A vote of-no confidence must be thoughtfully and thoroughly examined and must be rooted on the grounds that continuing with the status quo produces more harm to the institution and ultimately, to students. The CCC senate was not comfortable making a decision without more detail and supported the fact that John Marques has done a great job and should not be included in the vote.

Katie shared a resolution she wrote for CCC and the ASC will review it at the next meeting.

**ADJOURNMENT**

The meeting was adjourned at 9:12 a.m. The next meeting is scheduled for October 5.

Respectfully submitted,  
Lynette Kral
