Dear Senate Presidents,

As part of the ASCCC Commitment to Diversity, Equity and Inclusion (DEI) and Anti-Racism the ASCCC is asking local senate presidents to complete a survey on your college and/or senate's work centered on DEI. These questions were designed to align with the [CCCCO Vision for Success Diversity, Equity and Inclusion Task Force Report](#), [Chancellor Oakley's Call to Action](#), and the [Special Message from Past ASCCC President John Stanskas](#).

This survey is essential to the work of the ASCCC and its ongoing leadership in DEI. The survey is thorough and requests colleges to detail out the work being done at each of our colleges. This survey will take a diversity of voices to complete including local Senate Leaders, Equity Champions, and your Black, Indigenous and Persons of Color (BIPOC) faculty.
