Dr. Kimberly Rogers' reports – New funding/positions received by the college – information only

Kimberly reported on the New/Expanded Initiatives and Accompanying Positions regarding the new funding and positions for the MESA Program, Rising Scholars Network, Puente MAS, and Black Collegians. Lorena questioned...Academic Students Services Manager.

Setting goals for Academic Year 2022-23 – discussion and action

Gabriela asked for the Council to review the finished document and send her feedback. This will be returned as an action item next agenda.

Parameters for Pedagogy Conference – discussion and possible action

The question of whether the ASC should do some type of peer review group to evaluate the proposals for presentations. There were not a lot of proposals submitted last year all presentations were accepted. The Peer Review Group could still review the proposals and give feedback to what is expected and request how they will accomplish the objectives of the session, and to make sure it's about pedagogy. Lorena and Gabriela have contacts for speakers next year. Speakers get paid for two hours for prep time one hour for the presentation. People need to be encourage to get involved and make presentations more about practices that can be used in classroom.
