The recommendation was initially made to be in line with the District graduation policy that required two units of PE. Since that decision, BP 3007 Philosophy and Requirements for Associate Degree and General Education has been revised to exclude the PE requirement. With the removal of Area J Cultural Pluralism, discussion will also include the recommended wording of the catalog in regards to the Title 5 requirement that an ethnic course emphasis must be offered in one or more of Areas A-D. Area I Mathematics Proficiency possible elimination and inclusion in Area A will be discussed. Similar to the ethnic course emphasis, BP 3007 also states that “General Education requirements are to include proficiency in writing and mathematics. <u>Each college will determine how these proficiencies will be met,</u> in accordance with the California Code of Regulations, Title 5, Section 55063.” |
