Non-Masters District Equivalency Policy Katie motioned to approve the options to create an equivalency to an AA/AS degree, 1) an additional 9 elective units plus two additional years of recent work experience in the field; and, 2) 60+ units to include the GE requirements and forward to the FSCC for approval; Rick seconded; Beth Goehring (President), Rick Ramos (VP/CIC), Judy Flum (DE), Katie Krolikowski (CTE), Leslie Alexander (NSAS), Bobby Sturgeon (LAVA), Luci Castruita (SS), and Alissa Scanlin (SS) were all in favor; no abstentions.

Non-credit Course Opportunities Council continued discussion on building non-credit courses and programs. The areas will include ESL, Basic Skills, and workforce preparation.

Guided Pathways/CAR Beth presented ten meta majors (Communication Science, Earth Science, Ethnic Studies, Health Science, Humanities, Human Services, Public Service, Science, Social Science, and Technical Services) that included GE requirements, connected departments, and interest-based courses. Creating meta majors will help undecided major students choose careers by using these pathways, and will also best serve our departments. The division reps examined each major and added course suggestions. There will be flex workshops to work on these majors which need to be finished by mid September. Beth will be sending out drafts of the proposed brochures advertising the majors.
