Bylaws Revision

Everybody should read the ASU bylaws and make a suggestion that way during the next meeting we can discuss what we need to add. Zach made a suggestion that we make headers and a table of contents in the Bylaws along with that add a deadline and give additional detail to how we allocate money. The main thing is that we want to revise the Bylaws and make sure that we make it much better.

- ❖ Advisor Report:

First of all, we need to make sure that we look much more towards what we spend our money towards. Along with that we make sure that we have it so that 15% of what the ASU budget is go to ICC. Additionally, we need a budget laid out for the coming year.

We need to see what is the food that we can serve at the Mr. Fab event. Some ideas can be barbecue, pizza, wings, and donuts. Along with that we have the Equity plan the ASU will have to decide on the three main key points that will make the equity plan better.

- ASU Executive VP:

The main point is going to be the SSSCC we need to talk to the people that have already gone and let them tell us what the mood is like.
