- She reached out to President VanderWoude at least a month ago but has yet to get a response from her.

Rising Star ceremony

- **The event is a great idea but the venue will be difficult to fill up since it is late in the day and on top of that marketing will be difficult since we don't have a lot of time to plan the event. And Dr. Vander wood wanted us to have the event next semester that way we can have it more organized and planned.**

- **And it might be a better idea for us to have it next semester. That way we can have everything planned and make it an amazing event. And because it is finals it will make it difficult for all the students to attend the event.**

- **Doing the event in the fall will make it so that we know all the members of the board and on top of that we need to make sure that we have accountability of everyone on the board.**

Tabled till Fall

Therapy Dogs

- It will be great to allow therapy dogs since it is finals week and it will make our students less stressed out. Other schools allow students to do this.
- And one company is asking for 365 dollars but the numbers are still up in the air.
- And we need to make sure that the logistics.

NCORE Conference

- National Coalition of Race and Ethnicity
- We should definitely attend since it is a great way for us to learn and be trained to learn all the responsibilities of what the roles are and what we are expected to do.
- And it would be 495 for the registration fee in Portland Oregon May 28th – June 1st
- This is definitely important cause it is a way for all of us to learn.
- Even though not everyone will be able to attend that I why we will have certain people go to the event that way we know all the roles of a specific position.
- And the board members that will be here next semester should be the ones that attend since it will be a better investment.

All are in favor of sending senators to NCORE
 0 objections 1 abstentions
 Motion passed

Discuss Treasure position

- Dagim will have the excel spreadsheet ready after the Town Hall meeting.
- We feel like there has been a problem with the way the treasure spot and on top maybe find out the best position that we have for you

- Since you have never been trained you should definitely go up to the plate and make sure you are doing what the job is and making sure that we have everything done.

❖ Advisor Report:
