Presentation by Dean Franco

- **Thank you to Rebecca for taking the leadership role and I appreciate the entire board's help to improve the lives of the students on Campus.**
- **I am here to talk about the money that ASU pays for the Student Life Coordinator.**
- **Last year the state of California helped paid and gave some funding this year by the hunger free grant it is 37,000 dollars as a way to pay for the Student Life Coordinator.**
- **And because of that The ASU board for this semester will not have to pay for the Student Life Coordinator's salary.**
- **Next semester the president, Dean Franco, Student life coordinator, and Nick Dimitri should meet to really get a grip on the budget. And make the transitions into new leaders much better.**

Ryse Center Voting

- **Didn't Show up**

BSU – 780 dollars

- **Since BSU came to ask money very late it might make it difficult for us to be able to fund the event.**
- **ASU in the past has helped with the graduation putting up to around 3,000 dollars.**
- **The issue can be there are many other races other than Black students that are going to be graduating.**
- **But the truth is that anybody can join the graduation the only thing is that they will have to change the budget a little bit. To accommodate additional numbers.**
- **BSU has exact number and were showed on the presentation they did last Meeting.**
- **And since the check will take some time for it to be process it will make it difficult for BSU to receive the funding.**

- They will check back after seeing if they can pay for it from some other source and to be reimbursed for it.

Preston Motioned to allocate 780 dollars for BSU for black Graduation

ASU bylaws

- To add a deadline to the ASU application October 4th and March 4th depending on the time that they are trying to be on the board.
- Roman Numerals to the Table of Contents
- Change to the Presidential clause allowing the ASU president to be president of another Board if the ASU Board seems it fit.
- And adding page numbers to the Bylaws.
- Since Aaron added a rough checklist of what Each ASU position and holder should do in order to receive a stipend. We will see what positions that he is at to see if we should add that to the board
- We can also make it so that in order to receive a stipend someone such as Training and Recruitment director or an Executive member to check the list for the specific member and to see if her or she has fulfilled the requirements.
- This goes to the idea of holding people accountable since many of people did not show up we can no longer have it word to mouth. We need to have the accountability not just for this board but for the board that is going to be here after us.

The final review of the Bylaws will be tabled to the next meeting.

End of semester event

- Since the petting Zoo did not get back to Laciee it will be great idea to buy pizza and to hand it out during finals week as a way to encourage students for Finals week.
- We can have hot chocolate and bread in the morning and pizza in the afternoon.
- And we will also have a big storm that will be happening next week. From around Saturday to Thursday give or take.
- One day we can do Hot chocolate and sinarita bread and the other day we can have coffee and Mexican bread.
- Monday: 9 to 10:30, Dagim, Hector, Ricardo, Alfredo, Dagim, and Laciee, will help set up and table
- Tuesday: 9 to 10:30 Rebecca, Ricardo, Jodie, and Aaron. Will help on Tuesday
