¹ While we do our best to move proposals through the Committee quickly, we cannot guarantee that we will have a proposal approved by a certain date. The Committee's workload varies, and the number of proposals received sometimes is larger than what can be accomplished in a meeting.

² See footnote 1.

³ Proposals are received by CIC when they have been signed off by department representatives and DIC reviewers, and they have been revised by the faculty originator as appropriate. It is highly recommended that faculty originators monitor the progress of their proposals on CurricUNET and send reminders to reviewers as necessary to ensure that the files are moved up to the CIC level in a timely manner.

⁴ This review was moved forward because of spring break
