Update missions and goals to better describe the certificate. Addition of office management and keyboard to better support the mission of this certificate.
Werner-McCullough	15	NURS-250 Intermediate Medical Surgical Nursing Content Review with Non-Substantial changes: Update prerequisites by adding NURS-212, add statement for foreign trained nurses, and new advisory statement. Update SLOs and Assignments.
3:50-3:55	D	Discussion Items
	1	Adding ASTRO 120 and PSYCH 150 to area 'B' Natural Science for our local degree. Since these two courses satisfy science GE requirements for IGETC and CSU GE breadth (areas 5A and B1, areas 5B and B2), it seems logical they should be added to area 'B' for our local degree with the decrease in units from 4 to 3, and the removal of

		the laboratory requirement.
	2	Title V and #55063. The question is whether or not a 'C' or higher should be required for area A-1 (English composition) for our local degree. At this time, this requirement may be satisfied with a grade less than a 'C' (d).
	3	Requirement to add language to 6 TMCs: Math 110 and Intermediate Algebra "As a requirement of this TMC, students earning an ADT in _____ are required to demonstrate competency in mathematics at the level of intermediate algebra in addition to the coursework listed above. Students may demonstrate this competency through the college's assessment for placement process or through the completion of an intermediate algebra mathematics course. The inclusion of this requirement does not change the unit totals for the ADT as intermediate algebra is a pre-transfer level skill."
	4	CIC proposals during the summer months.
3:55-4:00	E	Presentations from the public
4:00	F	Adjournment – next meeting will be August 14 in CTC 131.

AGENDA ITEMS MUST HAVE REPRESENTATION OR NO ACTION WILL BE TAKEN
