BACKGROUND

This review is in response to DVC Procedure, 1017.01 which states the college will review its mission statement every two years. DVC's Institutional Planning Committee is overseeing the revision to the college's strategic plan. The committee agreed since the plan is not yet completed, that the current mission statement should remain as is. This recommendation was approved through a collegewide process that included students, faculty, classified staff and managers. Final approval was granted by DVC's College Council at its November 26, 2012, meeting.
