President's Cabinet Notes  
Friday, August 19, 2005  
10:30 a.m. to 12:00 noon  
President's Conference Room

Present: Gigi Green, Terence Elliott, Mariles Magalong, Rose Orpilla, McKinley Williams

Guests: Tim Clow, Alex Edwards

<b>Topic</b>	<b>Conclusion</b>	<b>Recommendation Action</b>	<b>Follow-up</b>
1. Master Palette for CCC	Palette chosen		Marsha Vallier will make a modified presentation from the one at ACD at College Council in September.
2. College Council Agenda	Agenda attached.	Added accreditation self-study.	Mack said College Council will decide on the signage for the campus (Library already done) and the logo. Mack also mentioned that the College Council falls under the auspice of the Brown Act and will now be treated as such (posted 72 hours before hand, allow for public comment, etc.).
3. Review of All College Day (Group Work)			Document prepared consolidating all group work.
4. Program Review			Mack would like to have the validation reports back to President's Cabinet in October so we are not tardy in our recommendations to the committees. Terence said there was some discussion about whether SLO's

			<p>should appear on program review reports or not. Mack said he believed this was decided in academic senate that SLO's should be separate. Tim will plan to bring back the binder to President's Cabinet members before the October 28th meeting.</p>
<p>5. Report on UC Dale Tillary Institute</p>	<p>Terence, Mariles, Gigi and Tim spoke on their experiences. After some discussion, it was decided that we will not continue to participate as CCC is well ahead of many of the community colleges in the State with our planning, student equity plan, etc. CCC is one of the 18 colleges state-wide that has a student equity plan. It was unfortunate that our team was treated poorly by the coordinator and that we did not learn too much new. Our team was the only one with a student representative at the conference.</p>		<p>Mack will write a letter to the coordinator to let them know CCC will no longer participate in the Institute as our team felt it was not worth the money it cost to attend. It was suggested that CCC perhaps put on its own Institute to share our knowledge with other colleges.</p>
<p>6. Reports - Academic Senate</p>	<p>No reports from Faculty and Classified. Gigi</p>		<p>Gigi said the ASU will hold another BBQ for ASU sticker card holders</p>

Classified Senate ASU	said the ASU held a BBQ at the student convocation and All College Day. Both were very successful.		on August 24th from 12:00 to 1:30 p.m. in the quad.
7. College Committee Roster	Mack went over the committee list. Corrections were made.		Melody will send out the corrected list once more to the President's Cabinet members for additional representatives.
8. Other			Mack needs to change President's Cabinet to the 2nd and 4th Fridays of the month. Melody will follow-up and send out a new schedule.

#Note: We forgot to place on the College Council Agenda the results from the All College Day discussion on the knowledge, skills and abilities of our graduates. The information has been summarized and needs to be presented to College Council. I recommend that College Council should form a subcommittee to further distill the priorities and assign each goal to a committee for implementation.

Meeting adjourned at 12:00 noon.
