Electric Vehicle Charging Stations Update – Robert Bagany**	**Discussion Items** **District Sustainability Goals – Tracy Marcial** • Katherine reported on outreach to Holly Bailey Hoffman and Roman de Jesus regarding the California Community College Chancellor's Office climate action and sustainability initiatives landscape analysis. She requested input from the committee about faculty engaged in sustainability work at CCC. • Robert mentioned a Biology Department contact involved in tree and shrub studies. • Tracy announced that the district-wide sustainability committee meeting will be held on February 17 at noon and requested sustainability initiative updates for the annual report. • Robert committed to submitting departmental updates and noted ongoing efforts to involve Middle College High School (MCHS) in sustainability education initiatives. **Compost and Recycling Updates** Robert discussed:	**Tracy Marcial** • Contact White Pony to obtain updated contact information. • Inquire about participation in the upcoming Earth Day event at CCC. **Robert Bagany** • Contact Luisa Eningas and/or Anna Bostic at White Pony regarding the April Earth Day event. • Submit departmental sustainability updates for the district annual report.

	• The need for the ASU Sustainability Committee to help host locations for the Bike-to-Work event in May. • Recycling collection efforts, noting custodians are currently fulfilling campus facilities assistant duties. • Continued issues with contaminated recycling bins. Robert also reported that the MCHS trash, recycling, and composting program has relocated to the AA Building and will soon relaunch with expanded educational materials for staff and students.	
	Electric Vehicle Charging Stations Update – Robert Bagany Robert reported that approximately five EV charging stations are currently disabled due to vandalized cables. The committee discussed replacing damaged units and installing more secure, cut-resistant cables. While cut-resistant technology is available, recently introduced models may not meet immediate needs. It was clarified that all parts of the stations are replaceable, making repair less extensive than full station replacement.	
Adjournment –	Meeting adjourned at 8:46 a.m. Next meeting is Thursday, March 5, 2026 at 8:00 am.
