ASC Process for NOVA approvals and review

1. When the college submits budgets, updates, or plans to the state chancellor's office, they are stored in the NOVA system (https://nova.cccco.edu/).
   a. You can apply for a login, which ends up being linked to your role(s) at the college
   b. There are NUMEROUS initiatives and programs documented using this system
2. When the ASC president's signature is required, the document should be reviewed and approved by the ASC
   a. Plan ahead to agendize review well ahead of time
3. When the NOVA system simply notifies the ASC president of a college action, this can be presented as information at an ASC meeting
