

**SS Division (George Mills, Interim Dean)
HIRING TRAINING CERTIFICATIONS**

Tenured Faculty are required to have **Hiring** training every three years, and **Diversity** training every two years, but, at most, two years prior to participating on a hiring committee.

Per the District's EEO Plan (HR Procedure 1010.01), employees who have not attended any type of diversity hiring training within the past "24 months (two years)" will not be able to serve on any screening/selection committee. Therefore, to comply with District policy and the law, this type of training will be required to be completed once every two years in order to participate in any District screening/selection process.

Red=non-compliant with one or both trainings
